

VAREL

PERFORMANCE-DRIVEN
EXCELLENCE THAT ENDURES

Around the clock and around the world, our drill bits deliver the quality and reliability needed in the oil and gas industry. Varel International is the world's largest independent manufacturer and supplier of high-quality roller cone and fixed cutter drill bits. Our proprietary designs, efficient manufacturing and global sales force combine to provide our customers with drill bits that deliver outstanding performance and value.

Contact us to learn how Varel drill bits can optimize performance and cut costs for your company.
